

Science Publishers

An Imprint of Edenbridge Ltd.,

43 La Motte Street, St. Helier, Jersey JE4 8SD, British Channel Islands

AGREEMENT made this 11th day of June 2011, between Prof. Fernando Berzal, Department of Computer Science and A.I., University of Granada, Granada 18071, Spain (hereinafter called the Author); and Science Publishers (hereinafter jointly called the Publisher), with respect to the work presently entitled:

Mining Networked Data

1. Rights Assigned

Author hereby grants the Publisher the following sole and exclusive rights:

To publish the work in book form and/or electronic form or web-based form (at the Publisher's discretion) in English and sell the same throughout the world. Such right to include subsequent publishing of any abridgement or extracts in book form, or subsequent editions, or to issue the work in a cheaper edition or in any other language. The Publisher will also have the right to license the work for publishing in any form or to supply copies to a copublisher/distributor/sales agent with the imprint of the copublisher or to make or change distribution/ marketing arrangements as deemed expedient by the Publisher.

2. Copyright

Copyright shall be held in the name of Author.

3. Production

Publisher will print and bind the book or create an electronic product at own expense, and will have complete authority over the manner and quality of production of both print and electronic versions. Printing of illustrations, which are in color will be subject to Publisher's standard guidelines.

4. Marketing

The Publisher shall have entire control of the distribution of free copies for the press or otherwise, the sale price and terms of sale.

5. Royalty

- (a) The Publisher agrees to pay a royalty of **ten** per cent to Author on net sales. No royalty shall be paid on damaged copies or on copies furnished gratis to Author, or for reviews, advertising, promotion, as samples or for like purposes. Payments will be made once a year after taking into account the sales up to the end of December.
- (b) The royalty will be shared by Author equally if there are multiple Authors, unless specified. Sales figures provided by the Publisher will be deemed as final and shall not be disputed by Author.
- (c) All royalties are based on the Publisher's net price (list price less trade discount) regardless of the price maintained by any distributors/ co-publishers.
- (d) Where the royalty amount in any year is below \$ 50, no payment will be made by the Publisher to the Author/ Editor as the administrative cost of issuing checks of small denomination shall be deemed to exceed the amount payable. Furthermore the Publisher will not be liable to carry forward the amount for the same reason, i.e., prohibitive administrative costs.

- 6. Gratis copies to Author** Author is entitled to receive **five** copies to free of cost, upon publication. Furthermore, Author is also entitled to receive 35% discount on additional copies of the book. Forwarding charges will be borne by the Author on the additional copies.
- 7. Delivery of Manuscript** Author shall deliver to Publisher, a full, complete and carefully edited typed manuscript of the work to ***P.O. Box 699, Enfield, NH 03748, USA*** or send it electronically to ***info@scipub.net*** along with illustrative material, in form and substance satisfactory to Publisher and suitable for handling by the printers by May 2012. All inputs relating to the manuscript illustrative material are the responsibility of Author.
- If the manuscript submission date needs to be rescheduled within a reasonable time framework, the author should intimate this change to the Publisher well in advance.
- 8. Author's Warranty** Author hereby warrants to the Publisher that the said work is an original work, has not been published in volume form and is in no way whatever a violation of any existing copyright.
- Further, the Author warrants that he/she has the right to make this agreement.
- Author affirms that in case of material taken from copyright sources, the Author has obtained necessary permissions from the copyright holders. If any action is taken by any aggrieved party on the grounds of copyright violation against the Publisher and the Publisher has to incur legal or any other costs, or pay settlement claims to the aggrieved party, such amounts will be recovered from Author by Publisher or aggrieved party.
- Author undertakes to not publish the same book or a modified version elsewhere.
- 9. Checking of Proofs** Author undertakes to read and check the proofs and return them to the Publisher within 45 days of their receipt.
- 10. Remainders** The Publisher shall be entitled to sell any surplus stock as a remainder at the best price such remainder stock will fetch or, if the Publisher considers it more facile, to destroy the stock or a part of it. No royalties are payable on copies remaindered or destroyed. The Publisher has the full authority to decide when and how many copies to remainder or destroy and the judgement of the Publisher cannot be disputed.
- 11. Translation** In case the Publisher sells translation rights, the net amount so earned, after deducting costs involved in negotiating such an arrangement, will be shared by Publisher and Author in the ratio of 75:25.
- 12. Notices and Alterations** All notices and communications between the parties here to shall be valid if in writing citing the section of the Agreement under which they are made, and forwarded by mail to the addresses set forth above, except as may from time to time be changed by writing.
- 13. Adjudication** Any differences or disputes arising from this agreement will be subject to adjudication only in a competent court in Jersey, British Isles.

The parties hereby sign and seal this Agreement.
